

I. M. Halloween's

Halloween Pet Safety Rules

- Keep candy, especially chocolate, away from your pets. Many ingredients in candy can be harmful, even deadly to pets.
- Be sure to dispose of candy wrappers immediately to keep them out of reach of your pets. Candy wrappers can cause intestinal problems in pets if chewed or swallowed.
- Leave your pets at home during trick-or-treat time. Be sure to keep them in a separate, quiet room so they do not run out the front door or become scared of the costumes and noise of trick-or-treaters coming to your house.
- Keep lit jack-o'-lanterns and candles away from your pets.
- Do not use noise-makers or fireworks around pets.
