

VAMPIRE BAT MASK

Copyrighted material. For personal use ONLY. All rights reserved.
For more fun Halloween activities go to: www.IMHalloween.com

INSTRUCTIONS

1. Color the mask.
2. Carefully cut out the mask along the dotted line.
3. Carefully cut out the red areas for your eyes and breathing hole.
4. Gently punch a hole in the red dots on each side of the mask and attach some elastic string. Secure the string to the mask with clear tape.

Coloring suggestion.
